# Maintaining Excellence.

Our team at Integra Testing Services is among the most qualified and well-trained in the facilities testing and performance industry. We are committed to leveraging our comprehensive capabilities to help our Customers prevent and resolve building performance issues while limiting facility downtime. At Integra, our technicians do more than simply identify an issue, they offer solutions.

## Building Commissioning Services

- Building Commissioning
- Building Envelope Commissioning
- Building Recommissioning
- Building Retro Commissioning
- Independent Equipment Commissioning
- LEED/CALGreen Testing

## Building Systems Consulting Services

- Complete Documentation of HVAC Systems
- Equipment Submittal Review
- Functional Performance Testing
- Healthcare Compliance/Validation Consulting
- Implement Owner Project Requirements (OPR)
- Installation Start-Up Verification
- Job Site Inspection
- Operations & Maintenance Training (O&M)
- Preliminary Plan Review
- Pre-Design Services
- Re-Cx Multi-Year Plan & Benchmarking

## Controlled Environment Services

- ASHRAE 110 Tracer Gas Testing
- Bio-safety Cabinet Testing (BSC)
- USP 797/800 Pharmacy Certification
- Cleanroom Certification
- Fume Hood Testing
- HEPA Filter Integrity Testing
- Environmental Monitoring
- Repairs & HEPA Air Filter Replacement Services
- Equipment Testing
- Compressed Air/Gas Testing

## Fire, Life & Safety Services

- Elevator & Stairwell Pressurization Testing
- Fire/Life Safety System Commissioning
- Fire & Smoke Damper Testing
- Room Integrity Testing (RIT)
- Smoke Control Testing
- Smoke Evacuation Testing
- Third Party Special Inspector Testing

## Specialty Services

- ADA Testing (Door Pressure Testing)
- ASTM-E1105 Hydronic Penetration Testing
- ASTM-E783 Air Leakage Testing
- Blower Door Testing
- Building Enclosure/Envelope Testing
- Casing Leakage Testing
- COVID-19 Airflow Survey
- Indoor Air Quality Testing (IAQ)
- Kitchen Hood Testing
- Sound Attenuation Testing
- Thermal Imaging
- Tunnel Airflow Testing
- Vibration Testing

## Testing, Adjusting & Balancing (TAB)

- Air Balancing Services
- Air & Hydronic System Survey
- Air Barrier Testing
- Air Exchange and Pressure Testing for Joint Commissioning Accreditation (JCAHO)
- Building Envelope Testing
- Control System Verification
- Duct Leakage Testing (DALT)
- Pre-Design Services
- Hydronic Flow Testing & Balancing
- Pump Performance Testing
- RIT – Room Integrity Performance Testing
- Sound & Vibration Measurements
- Temperature/Humidity Testing
- Underfloor Plenum Testing (UFAD)
- Ultra-Sonic Flow Measurements of Fluids
